Adults with Incapacity training

The Scottish Mental Health Law Review

Scottish Mental Health [and Incapacity] law review (SMHLR or ‘Scott’ review)

Sandra McDonald, EX-PG sandra@ex-pg.com : https://ex-pg.com : 07503 555672

The report in numbers

943 pages

14 chapters

203 recommendations
(short, medium, long term)

SMHLR the headlines for pharmacists

- Overarching purpose (respected, protected, fulfilled)
- New principles
- Autonomous decision making replaces capacity
- Supporting the person to make their own decision
- No change to powers of attorney
- Nothing changes in the immediate future
